Branch Power 2.0

Mobile with ease and functionality: 4 Port USB 2.0 + 1 Power Port HUB

The new Branch Power 2.0 from DICOTA is a 4-port USB 2.0 and 1 power port hub in one. Its light weight of only 50 grams and its compact size lets it stand out from the crowd. Therefore the Branch Power 2.0 is ideal for mobile operation. It supports the USB standard 2.0 and is compatible to the standard USB 1.1. This practical Notebook accessory can connect up to 4 external USB devices like a mouse, card reader, numeric keypad or printer! The data transfer rate is 480 Mbps and is therefore 40 times faster than the USB standard 1.1. The Branch Power 2.0 includes an external USB power interface. This port can be used for further external devices like a USB hard drive, a USB chargeable device, a USB light and many many more.
